That boy, take me away, into the night	Just a young heart confusing my mind, but we're both in
Out of the hum of the street lights and into a forest	silence
I'll do (1) you say to me in the dark	Wide-eyed, (8) in silence
Scared I'll be torn (2) by a (3) in	Wide-eyed
mask of a familiar name on a birthday card	Cause we both know I'll never be your lover
Blow out all the candles, blow out all the candles	I (9) bring the heat
"You're too old to be so shy," he says to me so I stay the night	Company (10) cover
Just a young (4) confusing my mind, but we're	Filling space in your sheets
(5) in silence	Well I'll never be a lover
Wide-eyed, both in silence	I only bring the heat
Wide-eyed, like we're in a crime scene	Company under cover
Well I have brittle bones it seems	Filling space in your sheets, in your sheets
I bite my tongue and torch my dreams	So, please just blow out all the candles, blow out all the
Have a little voice to speak with	candles
And a mind of thoughts and secrecy	"You're too old to be so shy," he says to me so I stay the night
Things cannot be reversed, we learn from the times we are	It's just a young heart confusing my mind, but we're both in
cursed	silence
Things cannot be reversed, learn from the ones we fear the	Wide-eyed, both in silence

And learn from the (6) we (7) the most	
how to	
Blow out all the candles, blow out all the candles	
"You're too old to be so shy," he says to me so I stay the night
