

Candles by Daughter

Fill in the gaps

That boy, take me away, (1)_____ the night
Out of the hum of the street lights and (2)_____ a forest
I'll do whatever you say to me in the dark
Scared I'll be (3)_____ apart by a (4)_____ in mask
of a familiar name on a birthday card
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night
Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, like we're in a crime scene
Well I have brittle bones it seems
I bite my tongue and torch my dreams
Have a little voice to speak with
And a mind of thoughts and secrecy
Things cannot be reversed, we learn from the times we are
cursed
Things cannot be reversed, learn (5)_____ the ones we
fear the worst
And learn from the ones we hate the most how to
Blow out all the candles, blow out all the candles
"You're too old to be so shy," he says to me so I stay the night

Just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed
Cause we (6)_____ (7)_____ I'll never be your lover
I (8)_____ bring the heat
Company under cover
Filling space in your sheets
Well I'll never be a lover
I only bring the heat
Company under cover
Filling (9)_____ in your sheets, in your sheets
So, please just blow out all the candles, blow out all the
candles
"You're too old to be so shy," he says to me so I stay the night
It's just a young heart confusing my mind, but we're both in
silence
Wide-eyed, both in silence
Wide-eyed, (10)_____ we're in a crime scene.

Fill in the gaps

Answer

1. into
2. into
3. torn
4. wolf
5. from
