## Stuck In The Middle With You by Stealers Wheel

| Well, I (1)                                     | know why I came here tonight, | Is it cool to go to sleep on the floor?         |
|-------------------------------------------------|-------------------------------|-------------------------------------------------|
| got the feeling that something ain't right.     |                               | Well, I don't think I can take anymore.         |
| 'm so scared in (2)                             | I fall off my chair,          | Clowns to the left of me, jokers to the right,  |
| And I'm wondering how I'll get down the stairs. |                               | Here I am, stuck in the middle with you.        |
| Clowns to the (3)                               | of me, jokers to the right,   | Well, you started out with nothing,             |
| Here I am, stuck in the middle with you.        |                               | And you're proud that you're a self-made man.   |
| Yes, I'm stuck in the middle with you,          |                               | And your friends they all come crawlin',        |
| And I'm wondering (4)                           | it is I should do.            | Slap you on the back and say, "Please, please." |
| t's so hard to keep (5)                         | smile from my face,           | Yeah, I don't know why I came here tonight,     |
| osing control, yeah, I'm                        | all (6) the place.            | I got the feeling that something ain't right,   |
| Clowns to the left of me, jokers to the right,  |                               | I'm so scared in case I fall off my chair,      |
| Here I am, stuck in the middle with you.        |                               | And I'm wondering how (9) get down the          |
| Well, you started off with nothing,             |                               | stairs,                                         |
| And you're proud that you're a self-made man.   |                               | Clowns to the left of me, jokers to the right,  |
| And your friends they all (7) crawlin',         |                               | Here I am, stuck in the middle with you.        |
| Slap you on the back and say, "Please, please." |                               | Yes I'm, stuck in the middle (10) you,          |
| Trying to make (8) sense of it all,             |                               | Stuck in the middle with you,                   |
| But I can see it makes no sense at all.         |                               | Here I am, stuck in the middle with you.        |
