## A Thousand Years by Christina Perri

| Heart beats fast                          | I have died everyday waiting for you                                    |
|---|---|
| Colors and promises                       | Darling don't be afraid, I have loved you                               |
| How to be brave                           | For a thousand years  |
| How can I love when I'm (1) to fall       | I'll love you for a thousand more                                       |
| But watching you stand alone              | All along I believed I would find you                                   |
| All of my doubt                           | Time has brought (4) heart to me  |
| Suddenly goes away somehow                | I have loved you a thousand years                                       |
| One step closer                           | I'll love you for a thousand more                                       |
| I have died everyday (2) for you          | One step closer   |
