Fill in the gaps

Call Me Maybe by Carly Ray Jepsen

(1) a wish in the well	Hey, I just met you and this is crazy
Don't ask me, I'll (2) tell	But here's my number, so call me, maybe
I looked to you as it fell	It's hard to look right at you baby
And now you're in my way	But here's my number, so call me, maybe
I (3) my soul for a wish	Hey, I just met you and this is crazy
Pennies and dimes for a kiss	But here's my number, so (10) me, maybe
I wasn't looking for this	And all the (11) try to chase me
But now you're in my way	But here's my number, so call me, maybe
Your stare was holding	Before you came into my life
Ripped jeans, skin was showing	I (13) you so bad
Hot not, wind was blowing	I missed you so bad
Where you think you're going, baby?	I missed you so, so bad
Hey, I just met you and (4) is crazy	Before you came (14) my life
But here's my number, so call me, maybe	I missed you so bad
It's (5) to look right at you baby	And you should know that
But here's my number, so (6) me, maybe	I missed you so, so bad
Hey, I just met you and this is crazy	It's (15) to look right at you baby
But here's my number, so call me, maybe	But here's my number, so call me, maybe
And all the other boys try to chase me	Hey, I just met you and this is crazy,
But here's my number, so call me, maybe	But here's my number, so call me, maybe
You took your time with the call	And all the other boys try to chase me
I took no time with the fall	But here's my number, so call me, maybe
You gave me nothing at all	Before you came into my life
But still, you're in my way	I missed you so bad
l beg, and borrow and steal	I missed you so bad
Have foresight and it's real	I missed you so, so bad
I didn't know I would feel it	Before you came into my life
But it is in my way	I (16) you so bad
Your (7) was holding	And you should know that
Ripped jeans, skin was showing	So call me, maybe
Hot not, (8) was blowing	
Where you (9) you're going, baby	

- 1. threw
- 2. never
- 3. trade
