

## Fill in the gaps

## Radioactive by Marina And The Diamonds

Lying on a fake beach	I'm turning radioactive
You'll never get a tan	My (6) is radioactive
Baby I'm gonna leave you drowning until you reach for my	My heart is nuclear
hand	Love is all that I feel
In the night (1) heart is full and by the morning	Ready to be let down
empty	Now (7) (8) for a meltdown
But (2) I'm the one who left you, you're not the one	[Bridge]
who left me	Tonight I feel like neon gold
[Chorus]	I take one look at you and I grow cold
When you're around me, I'm radioactive	And I grow cold
My blood is burning, radioactive	And I grow cold
I'm turning radioactive	[Chorus]
My blood is radioactive	When you're around me, I'm radioactive
My heart is nuclear	My (9) is burning, radioactive
Love is all that I feel	I'm turning radioactive
I'm turning radioactive	My blood is radioactive
My blood is radioactive	My heart is nuclear
Waiting for the (3) fall, for my heart to light up	Love is all that I feel
Oh (4) I want you to die for, for you to die for my	Ready to be let down
love	Now I'm heading for a meltdown
In the night your heart is full and by the morning empty	
But baby I'm the one who left you, you're not the one who left	
me	
[Chorus]	
When you're around me, (5) radioactive	
My blood is burning, radioactive
