

## Fill in the gaps

Rosemary, heaven (1)	you in life	It took a life span with no cell mate
You're (2) (3)	me	To find the long way back
Through the aging, the fearing, the strife It's the smiling on the package It's the faces in the sand		Sandy, why can't we look the other way?
		You're weightless, you are exotic
It's the faces in the sand		You need something for which to care
It's the thought (4) mov	ves you upwards	Sandy, why can't we (15) the other way
Embracing me (5) two	hands	Leave some shards (16) the belly
Right will take you places		Lay some grease (17) my hand
Yeah maybe to the beach		It's a (18) jury
When (6) friends they	do come crying	And the (19) of a good brand
Tell them now your pleasure's set	upon (7) release	You've come to (20) me lightly
Hey wait		Yeah you (21) to hold me tight
Great smile		Is this motion ever lasting
Sensitive to fate, not denial		Or just (22) (23)
But hey, who's on trial?		(24) the night?
It took a life (8) with no	cell mate	Rosemary, heaven restores you in life
The (9) way back		I spent a life span with no cell mate
Sandy, why can't we (10)	the (11)	The long way back
way?		Sandy, why can't we look the other way?
He (12) about tra-	vel	You're weightless, semi-erotic
Yeah we think about the land		You need (25) to take you there
He (12) about travel		Sandy, why can't we (26) the other way
Feeling (14) tan		Why can't we (27) play the other game?
I could take you places		Why can't we just look the other way?

Make revision to a dream while you wait in the van		
Hey wait		
Great smile		
Sensitive to fate, not denial		
But hey, who's on trial?
