

I'm living on such sweet nothing

## Fill in the gaps

## Sweet Nothing by Calvin Harris & Florence Welch

| You took my heart and you held it in your mouth |     | And it's hard to learn                    |
|---|-----|---|
| And, (1) a word all my love came rushing out    |     | And it's hard to love                     |
| And, every whisper, it's the worst, (2)         | out | When you're giving me such sweet nothing  |
| by a single word                                |     | Sweet nothing, sweet nothing              |
| There is a hollow in me now                     |     | You're giving me such sweet nothing       |
| So I put my faith in something unknown          |     | [Beat break]                              |
| I'm living on such sweet nothing                |     | And it's not enough                       |
| But I'm trying to hope with nothing to hold     |     | To (8) me that you care                   |
| I'm living on such sweet nothing                |     | When, we (9) know the words are empty air |
| And it's hard to learn                          |     | You give me nothing                       |
| And it's (3) to love                            |     | Uoooh                                     |
| When you're giving me such (4) nothing          |     | Uoooh                                     |
| Sweet nothing, (5) nothing                      |     | Uoooh                                     |
| You're (6) me such sweet nothing                |     | Nothing                                   |
| [Beat break]                                    |     | [Beat break]                              |
| It isn't easy for me to let it go               |     | Uoooh                                     |
| Cause   |     | Uoooh                                     |
| I've swallow every single word                  |     | Uoooh                                     |
| And   |     | Sweet Nothing                             |
| Every whisper, every sigh                       |     | Uoooh                                     |
| Eats away at this heart of mine                 |     | Uoooh                                     |
| And there is a hollow in me now                 |     | Uoooh                                     |
| So I put my faith in something unknown          |     | Sweet Nothing                             |
| I'm living on such sweet nothing                |     |   |
