

Fill in the gaps

A Tousand Years by Christina Perri

Heart beats fast	I have died everyday (14) for you
Colors and promises	Darling don't be afraid, I have (15) you
How to be (1)	For a thousand years
How can I (2) when I'm (3) to	I'll (16) you for a thousand more
(4)	All (17) I (18) I would
But watching you stand alone	(19) you
All of my doubt	Time has (20) your heart to me
Suddenly goes away somehow	I have (21) you a thousand years
One step closer	I'll love you for a (22) more
I have died (5) waiting for you	One step closer
Darling don't be afraid, I have loved you	One (23) (24)
For a thousand years	I have died (25) waiting for you
I'll (6) you for a thousand more	Darling don't be afraid, I have loved you
Time stands still	For a thousand years
Beauty in all she is	I'll love you for a thousand more
I will be brave	All along I (26) I would find you
I will not let (7) (8) away	Time has brought your heart to me
But (9) in (10) of me	I have loved you for a thousand years
Every breath, every hour has (11) to	I'll (27) you for a thousand more
(12)
