

When it crumbles (when it crumbles)

Fill in the gaps

This is the end	We will (6) tall (we will stand tall)
Hold (1) breath and count to ten	Face it all together
Feel the earth move and then	At skyfall
Hear my heart burst again	[x2:]
For this is the end	(Let the sky fall
I've drowned and dreamt this moment	When it crumbles
So overdue I owe them	We will stand tall)
Swept away, I'm stolen	Where you go I go
Let the sky fall	What you see I see
When it crumbles	I know I'd never be me
We (2) stand tall	Without the security
Face it all together	Of your loving arms
Let the sky fall	Keeping me from harm
When it crumbles	Put your hand in my hand
We (3) stand tall	And we'll stand
Face it all together	Let the sky fall (let the sky fall)
At skyfall	When it (7) (when it crumbles)
That skyfall	We (8) stand (9) (we (10)
Skyfall is where we start	stand tall)
A (4) miles and poles apart	Face it all together
Where worlds (5) and days are dark	Let the sky fall (let the sky fall)
You may have my number, you can take my name	When it crumbles (when it crumbles)
But you'll never have my heart	We will stand tall (we will stand tall)
Let the sky fall (let the sky fall)	Face it all together
When it crumbles (when it crumbles)	At skyfall
We will stand tall (we will stand tall)	Let the sky fall
Face it all together	We will stand tall
Let the sky fall (let the sky fall)	At skyfall
