Through an endless diamond sky

Fill in the gaps

A Whole New World by OST Aladdin (Walt Disney)

I can show you the world	A whole new world
Shining, shimmering, splendid	Don't you dare (6) your eyes
Tell me, princess, now when did	A hundred thousand things to see
You last let your heart decide?	(Hold your breath, it gets better)
I can open your eyes	I'm like a shooting star
Take you wonder by wonder	I've (7) so far
Over, sideways and under	I can't go back
On a magic (1) ride	To where I used to be
A (2) new world	A whole new world
A new fantastic point of view	Every turn a surprise
No one to tell us no or (3) to go	With new horizons to pursue
Or say we're only dreaming	Every moment red-letter
A whole new world	I'll chase them anywhere
A dazzling (4) I never knew	There's time to spare
But when I'm way up here, it's crystal clear	Let me share this whole new world with you
That now I'm in a (5) new world with you	A whole new world
Now I'm in a whole new world with you	That's where we'll be
Unbelievable sights	A thrilling chase
Indescribable feeling	A (8) place
Soaring, tumbling, freewheeling	For you and me
