Through an endless diamond sky

Fill in the gaps

A Whole New World by OST Aladdin (Walt Disney)

I can show you the world	A whole new world
Shining, shimmering, splendid	Don't you dare close your eyes
Tell me, princess, now when did	A hundred (3) (4) to see
You last let your heart decide?	(Hold your breath, it gets better)
I can open your eyes	I'm like a shooting star
Take you (1) by wonder	I've come so far
Over, sideways and under	I can't go back
On a magic carpet ride	To where I (5) to be
A whole new world	A (6) new world
A new fantastic point of view	Every turn a surprise
No one to tell us no or where to go	With new (7) to pursue
Or say we're only dreaming	Every moment red-letter
A whole new world	I'll chase them anywhere
A dazzling place I never knew	There's time to spare
But when I'm way up here, it's crystal clear	Let me (8) this whole new world with you
That now I'm in a whole new world with you	A (9) new world
Now I'm in a whole new (2) with you	That's where we'll be
Unbelievable sights	A thrilling chase
Indescribable feeling	A wondrous place
Soaring, tumbling, freewheeling	For you and me
