So fake that you	To all you
You hate it	Who want to
A (1) that seems so jaded	You want to it just ain't worth it
I can't	To all you
I can't end up like that	Who need to
It's all about what you drive	You need to know
Who you know	I don't (5) a fuck (6) you can't stand me
In a (2) it'll swallow you whole	I've finally had enough of what you say
And so fast	Now you're talking tough (7) you backstabbed
Just like that	me
You're way off track	You're my derailment
To all you	It's funny how you lie and try to wreck me
Who want to	It's funny how you're falling on your face
You want to it just ain't worth it	I'm never going to let you (8) me
To all you	You're my derailment
Who need to	The train is off the tracks
You need to know	I'm not looking back
I don't give a fuck that you can't stand me	I don't give a fuck that you can't stand me
I've finally had enough of what you say	I've finally had enough of what you say
Now you're talking tough cause you backstabbed me	Now you're talking tough cause you backstabbed me
You're my derailment	You're my derailment
So sick and so shameless	It's funny how you lie and try to wreck me
I (3) I'd never start by saying	It's funny how you're falling on your face
Do you know	I'm never (9) to let you disrespect me
You know who I am	You're my derailment
It's not about what you drive	Where do we go from here
Who you know	With everything so unclear
Cause (4) it's gone	Turned out to be by far my longest year
You'll be standing alone	It's too late to turn back time
And so fast	I'll never make it out alive
Just like that	End of the day I see through all your lies
You can't go back
