

Fill in the gaps

So fake that you	To all you
You (1) it	Who (15) to
A city that (2) so jaded	You want to it just ain't worth it
I can't	To all you
I can't end up (3) that	Who need to
It's all about what you drive	You need to know
Who you know	I don't give a fuck (16) you can't (17)
In a (4) it'll swallow you whole	me
And so fast	I've finally had enough of what you say
Just like that	Now you're (18) tough (19)
You're way off track	you (20) me
To all you	You're my derailment
Who (5) to	It's funny how you lie and try to wreck me
You want to it (6) ain't (7) it	It's funny how you're (21) on your face
To all you	I'm never (22) to let you disrespect me
Who need to	You're my derailment
You need to know	The train is off the tracks
I don't (8) a fuck that you can't (9) me	I'm not (23) back
I've finally had enough of what you say	I don't give a fuck that you can't stand me
Now you're (10) tough cause you	I've finally had enough of what you say
(11) me	Now you're talking tough cause you backstabbed me
You're my derailment	You're my derailment
So sick and so shameless	It's (24) how you lie and try to wreck me
I swore I'd never (12) by saying	It's funny how you're (25) on your face
Do you know	I'm never going to let you disrespect me
You (13) who I am	You're my derailment
It's not about what you drive	Where do we go from here
Who you know	With everything so unclear
Cause (14) it's gone	Turned out to be by far my longest year
You'll be standing alone	It's too late to turn back time
And so fast	I'll never (26) it out alive
Just like that	End of the day I see through all your lies
You can't go back
