

You can't go back

## Fill in the gaps

So fake that you	To all you
You (1) it	Who want to
A (2) that seems so jaded	You want to it just ain't worth it
I can't	To all you
I can't end up like that	Who need to
It's all (3) what you drive	You need to know
Who you know	I don't give a fuck that you can't stand me
In a second it'll swallow you whole	I've finally had enough of what you say
And so fast	Now you're talking tough cause you backstabbed me
Just like that	You're my derailment
You're way off track	It's funny how you lie and try to wreck me
To all you	It's (6) how you're falling on your face
Who want to	I'm never going to let you disrespect me
You want to it just ain't worth it	You're my derailment
To all you	The train is off the tracks
Who need to	I'm not looking back
You need to know	I don't give a fuck that you can't stand me
I don't give a fuck (4) you can't stand me	I've finally had enough of what you say
I've finally had enough of (5) you say	Now you're talking tough cause you backstabbed me
Now you're talking tough cause you backstabbed me	You're my derailment
You're my derailment	It's funny how you lie and try to wreck me
So sick and so shameless	It's funny how you're (7) on your face
I swore I'd never start by saying	I'm never (8) to let you disrespect me
Do you know	You're my derailment
You know who I am	Where do we go from here
It's not about what you drive	With everything so unclear
Who you know	Turned out to be by far my longest year
Cause when it's gone	It's too late to turn back time
You'll be standing alone	I'll never make it out alive
And so fast	End of the day I see (9) all your lies
Just like that	

- 1. hate
- 2. city
- 3. about
- 4. that
- 5. what
- 6. funny
- 7. falling
- 8. going
- 9. through
