## Untouched by The Veronicas

## Fill in the gaps

I go ooo ooo you go ahh ahh	And I would never let you down down
La la la la, la la la la	I feel so untouched
I can la la la la la	And I want you so much
I (1) (2) wanna get get get what I	That I just can't resist you
want, don't stop.	It's not enough to say that I miss you
Gimme, gimme whatcha got got	I feel so untouched right now
'Cause I can't wait wait any more more more more.	Need you so much somehow
Don't even talk about the consequence	I can't forget you
'Cause right now you're the only thing that's making any	Goin' crazy from the moment I met you
(3) to me	Untouched ah
And I don't give a damn what they say or what they think,	Untouched
think.	Untouched ah
'Cause you're the only one who's on my mind.	Untouched
I'll never ever let you leave me	Untouched ah
I'll try to stop time forever	Ah la la la Ah la la la
Never wanna hear you say goodbye.	Untouched ah
I feel so untouched	Ah la la la Ah la la la
And I want you so much	I feel so untouched
That I just can't resist you	And I want you so much
It's not enough to say that I miss you	That I just can't resist you
I feel so untouched (4) now	It's not enough to say that I miss you
Need you so much somehow	I (8) so untouched right now
I can't forget you	Need you so much somehow
Goin' crazy from the moment I met you	I can't (9) you
Untouched ah	Goin' crazy from the moment I met you
And I need you so much	I feel so untouched
See you, breathe you	And I want you so much
I want to be you	That I just can't resist you
Ah la la la, ah la la la	It's not enough to say (10) I miss yo
You can take take take take time time	I feel so untouched right now
To live live the way you gotta gotta live your life	Need you so much somehow
Give me, give me all of you you	I can't forget you
Don't be scared, of seeing through the loneliness.	Goin' crazy from the moment I met you
I want it more more	Untouched ah
Don't even think about what's (5) or	Untouched
(6) or wrong or right	Untouched ah
'Cause in the end it's only you and me	
And no one (7) is going to be around	
To answer all the questions left behind	
And you and I are meant to be	
So even if the world falls down today	
You still got me to hold you up up
