

Fill in the gaps

Did you see the sky, I think it means that we've (1)	How you gonna ever (5) your place
lost	Runnin' in an artificial pace
Maybe one less time is all we need	Are they gonna find us (6) face down in the sand
I can't (2) help it if my tongue's all tied in knots	So what the hell, have we already been forever damned?
Jumping off a bridge, it's just the farthest that I've ever been	Anywhere you go, I'll follow you down
Anywhere you go, I'll follow you down	Anyplace, but those I know by heart
Anyplace, but those I know by heart	Anywhere you go, I'll follow you down
Anywhere you go, I'll follow you down	I'll follow you down, but not (7) far
I'll follow you down, but not that far	Anywhere you go, I'll follow you down
I know we're headed somewhere, I can see how far we've	Anyplace, but those I know by heart
come	Anywhere you go, I'll follow you down
But still, I can't remember anything	I'll (8) you down, but not that far (follow you
Let's not do the wrong thing and I (3) it might be	down)
fun	I'll (9) you down, but not that far (follow you
It's a long way down when all the (4) we've tied	down)
have come undone	I'll follow you down, but not that far (follow you down)
Anywhere you go, I'll follow you down	I'll follow you down, but not that far (follow you down)
Anyplace, but those I know by heart	
Anywhere you go, I'll follow you down	
I'll follow you down, but not that far	
Whoooo!
