

## Fill in the gaps

What if I told you (1) I think you're perfect?	I'll be holding on to each moment
Beautiful sky in your eyes, it's so worth it.	'Cause you (4) me
I know you make me feel alive.	Laugh a little louder
What if I (2) you that I'm in forever?	Love a little harder.
Nothing to hide, yeah, I'll go wherever you go.	And I (5) (6) when I'm with you
You make me feel alive.	Every time it's something new.
And I'll be hanging on every (3) you say to me.	Never knew what love could (7) like
Hanging on a feeling that I get,	Until I walked (8) the first time.
Cause you make me	And I feel alive when I'm with you.
Laugh a little louder	Deep inside it's something true.
Love a little harder.	You're the only reason I fight,
And I feel alive when I'm with you	You're the best thing in my life.
Every time it's something new.	And I (9) alive when I'm with you.
Never knew what love could feel like	When I'm with you
Until I walked away the first time.	And I feel alive when I'm with you
And I feel alive when I'm with you.	Every time it's something new.
Deep inside it's something true.	Never knew what love could feel like
You're the only reason I fight,	Until I walked away the first time.
You're the best thing in my life.	And I feel alive when I'm with you.
What if I told you that I'd never hurt you?	Deep inside it's (10) true.
Always be there for you to hold on to.	You're the only reason I fight,
I know you make me feel alive	You're the best thing in my life.
And every single second's a lifetime memory,
