What if I told you that I think you're perfect?	I'll be holding on to each moment
Beautiful sky in your eyes, it's so worth it.	'Cause you make me
I know you make me feel alive.	Laugh a (9) louder
What if I told you that I'm in forever?	Love a little harder.
Nothing to hide, yeah, I'll go wherever you go.	And I feel alive when I'm with you
You make me feel alive.	Every time it's something new.
And I'll be hanging on (1) (2) you say	Never knew what love could feel like
to me.	Until I walked away the first time.
Hanging on a feeling that I get,	And I feel alive when I'm with you.
Cause you make me	Deep inside it's something true.
Laugh a little louder	You're the only reason I fight,
Love a little harder.	You're the best thing in my life.
And I feel alive when I'm with you	And I feel alive when I'm with you.
Every time it's something new.	When I'm with you
Never knew what love could feel like	And I feel alive when I'm with you
Until I walked (3) the first time.	Every time it's something new.
And I feel (4) when I'm with you.	Never knew what love could feel like
Deep inside it's something true.	Until I walked away the (10) time.
You're the only reason I fight,	And I feel alive when I'm with you.
You're the best (5) in my life.	Deep inside it's something true.
What if I told you that I'd never (6) you?	You're the only reason I fight,
Always be there for you to hold on to.	You're the best thing in my life.
I know you make me feel alive
