

## Fill in the gaps

I got my daddy's car	They gonna try to put you out
And his old guitar	I keep (15) up in this world full of doubt
A (1) full of (2) hearts	I roll like I roll
Got my momma's smile	I roll like the (16) (17) the
And her (3) blue eyes	California sun
I ain't got much	Burn (18) the desert like a devil on the run
But (4) I got's mine	I'll be flying high until the day that I die
And I roll (5) I roll	No (19) they say
I roll like I roll	At the end of the day
I got an open road	I'm not gonna let it (21) away
And a (6) soul	'Cause I'd rather burn in hell
The Rolling (7) on the radio	Than to let it fade
And I roll like I roll	I got an open road
'Cause I roll like I roll	And a (22) soul
I roll (8) the (9) under the California	The Rolling Stones on the radio
sun	And I roll like I roll
Burn through the desert like a devil on the run	I (23) through the hills of my old Kentucky home
I'll be (10) high until the day that I die	Back to the (24) where my heart belongs
No (11) what (12) say	I'll be flying high (25) the day that I die
At the end of the day	No (26) what they say
I (13) (14) like I roll	At the end of the day
Well there's a lot a people gonna try to bring you down	I did it my way!
They got a lot of rules
