

Fill in the gaps

Rest Of My Life by Soja

If I could spend the rest of my life with my people, I would do it
over and over again
Leave it up to them to fill up their steeple, leave it up to us to
fill up on our friends
If I could spend the rest of my life with my people, I would do it
over and over again
I'm within my mind and I know there's no equal
When I'm fallin out yo they pull me back in
It was (1)_____ ago and we (2)_____ younger so
And our (3)_____ we part wrote
Feel it, feeling Yeah
And I remember everyday, sometimes it's too much to take
I break down, without no heartache
And I mean it, and I mean it
If I could spend the rest of my life (4)_____ my people, I
would do it over and over again
Leave it up to them to fill up their steeple, leave it up to us to
(5)_____ up on our friends
If I could spend the rest of my life with my people, I would do it
over and over again
I'm live in my mind and I know there's no equal
When I'm fallin out yo they (6)_____ me back in
They say we've had fun but let this go
Music don't go deep but no
We think we could help this (7)_____ if only we try

But we grow up, at least that's what they say
We can't do this when we pray, but I tell myself everyday that
none of that applies
If I could spend the rest of my life with my people, I would do it
over and over again
Leave it up to them to fill up their steeple, leave it up to us to
fill up on our friends
If I could spend the rest of my life with my people, I would do it
over and over again
I live in my mind and I know there's no equal
When I'm fallin out yo they pull me back in
All I really need, is all I have ever seen
Only thing works for me is to feel it, feeling
And when we turn to (8)_____ and others turn to be
It's always on my sleeve
And I mean it, and I mean it
If I could spend the rest of my life with my people, I would do it
(9)_____ and (10)_____ again
Leave it up to them to fill up their steeple, leave it up to us to
fill up on our friends
If I could spend the rest of my life with my people, I would do it
over and over again
I live in my mind and I know there's no equal
When I'm fallin out yo they pull me back in

Answer

1. long
2. were
