Fill in the gaps

But we (21) up, at least that's what they say
We can't do this when we pray, but I tell myself everyday that
none of that applies
If I could spend the rest of my life with my people, I
(22) do it over and over again
Leave it up to them to fill up their steeple, leave it up to us to
fill up on our friends
If I could spend the rest of my life with my people, I would do it
over and (23) again
I live in my mind and I know there's no equal
When I'm fallin out yo they pull me back in
All I really need, is all I have ever seen
Only thing (24) for me is to feel it, feeling
And when we (25) to leave and others turn to be
It's always on my sleeve
And I mean it, and I (26) it
If I could spend the rest of my life with my people, I would do it
over and over again
Leave it up to them to fill up their steeple, (27) it
up to us to fill up on our friends
If I could spend the (28) of my life with my people, I
(29) do it over and over again
I live in my mind and I know there's no equal
When I'm fallin out yo (30) pull me back in
