

When I look into your eyes

## Fill in the gaps

It's like watching the night sky	
Or a beautiful sunrise	
Well, there's so much they hold	
And just like them old stars	
I see that you've (1)	so far
To be right where you are	
How old is your soul?	
Well, I won't give up on us	
Even if the skies get rough	
I'm giving you all my love	
I'm still looking up	
And when you're needing your space	
To do some navigating	
I'll be here patiently waiting	
To see what you find	
'Cause even the stars (2)	burn
Some even fall to the earth	
We've got a lot to learn	
God knows we're (3)	it
No, I won't give up	
I don't wanna be someone who	walks away so easily

im here to (4) and make the difference
(5) I can make
Our differences they do a lot to teach us how to use
The (6) and gifts we got, yeah, we got a lot at
stake
And in the end, you're still my friend at least we did intend
For us to work we didn't break, we didn't burn
We had to learn how to bend without the (7)
(8) in
I had to (9) what I've got, and what I'm not, and
who I am
I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up, still looking up.
Well, I won't give up on us (no I'm not giving up)
God knows I'm tough enough (I am tough, I am loved)
We've got a lot to learn (we're alive, we are loved)
God knows we're worth it (and we're worth it)
I won't give up on us
Even if the skies get rough
I'm giving you all my love

I'm still looking up
