## Another One Bites The Dust by Queen

Hey I'm gonna get you too, another one bites the dust

Steve walks (1) down the street	Hey, Oh take it - Bite the dust (6) the dust
With his brim pulled way (2) low	Hey (7) one bites the dust
Ain't no sound but the sound of his feet	Another one bites the dust
Machine guns ready to go	Another one bites the dust
Are you ready hey, are you ready for this?	Another one bites the dust
Are you hanging on the (3) of your seat?	Oooh shoot out
Out of the doorway the bullets rip	There are plenty of ways that you can hurt a man
To the sound of the beat, yeah	And bring him to the ground
Another one bites the dust, another one bites the dust	You can beat him, you can cheat him
And another one gone, and another one gone, another one	You can treat him bad, and leave him when he's down
bites the dust	But I'm ready, yes I'm ready for you
Hey, I'm gonna get you too, another one bites the dust	I'm (8) on my own two feet
How do you think I'm going to get along	Out of the doorway the bullets rip
Without you when you're gone	Repeating to the sound of the beat
You took me for everything that I had	Another one bites the dust, another one bites the dust
And kicked me out on my own	And another one (9) and another one gone
Are you (4) are you satisfied?	Another one bites the dust yeah, Hey I'm gonna get you too
How (5) can you stand the heat	Another one (10) the dust
Out of the doorway the bullets rip	Shoot out
To the sound of the beat look out	
Another one bites the dust, another one bites the dust	
And another one gone, and another one gone, another one	
bites the dust
