

## Fill in the gaps

Well you only need the light when it's burning low	But to never to touch and (16) to keep
Only miss the sun (1) it's (2) to	Because you loved her to much
snow	And you dive too deep
Only know your (3) (4) you let her go	Because you only need the light when it's burning low
Only know you've been high (5) you're feeling low	Only miss the sun when it's starts to snow
Only hate the road when you're missin' home	Only know (17) (18) when
Only know your lover when you've let her go	(19) let her go
And you let her go	Only (20) you've (21) (22)
Staring at the (6) of your glass	when you're feeling low
Hoping one day you (7) (8) a	Only hate the road when you're missin' home
(9) last	Only know your lover when you've let her go
The dreams come (10) and goes so fast	And you let her go
You see her when you close your eyes	O0000 00000 000000
Maybe one day you (11) understand why	And you let her go
Everything you touch all it dies	O000000 00000 00000
Because you only need the (12) when it's	And you let her go
burning low	Because you only need the (23) when
Only miss the sun when it's starts to snow	(24) burning low
Only know your lover when (13) let her	Only miss the sun when it's starts to snow
go	Only know (25) lover when you've let her go
Only know you've been high when you're feeling low	Only know (26) been (27)
Only hate the road when you're missin' home	when (28) feeling low
Only know your lover (14) you've let her go	Only hate the road when you're missin' home
Staring at the ceiling in the dark	Only know your lover when you've let her go
Same ol' empty feeling in (15) heart	And you let her go
Love comes slow and it goes so fast	
Well you see her when you fall asleep
