

Fill in the gaps

I (1) that you're hiding things				Suspended on silver wings	
sing (2) words to shelter me			Oh, a thousand words		
Your words were like a dream				One thousand embraces	
But dreams could never fool me				Will cradle you	
Not that easily				Making all of the pain you feel	
I acted so (3) then				Seem far away	
Didn't say goodbye before you left				They'll hold you forever	
But I was listening				Oh, a thousand words	
You'll fight your battles far from me				Have never been spoken	
Far too easily				They'll fly to you	
"Save your tears cause I'll come back"				They'll (8)	you home
I could (4) that you whispered				And back into my arms	
As you walked through that door				Suspended on silver wings, oh	
But still I swore				On silver wings	
To hide the pain when	I (5)	(6)	the	And a thousand words,	oh
pages				Call out though the ages	
Shouting might have been the answer				They'll cradle you	
What if I'd cried my eyes out				Turning all of the lonely years	
And begged you not to depart				To only days	
But now I'm not afraid				They'll (9) ye	ou forever
To say what's in my heart				Yeah-uh	
Cause a thousand words				A thousand words	
Call out through the ages				Oh-oh-oh-uh-uh	
They'll fly to you					
Even though we can't see					
I (7) they're reaching you					

- 1. know
