

Fill in the gaps

I know that you're (1)	things	Suspended on silver wings
Using gentle words to shelter me		Oh, a thousand words
Your words were like a dream		One thousand embraces
But (2) could nev	ver fool me	Will cradle you
Not that easily		Making all of the pain you feel
I acted so distant then		Seem far away
Didn't say goodbye (3)	you left	They'll (9) you forever
But I was listening		Oh, a thousand words
You'll fight your battles far from m	ne	Have never been spoken
Far too easily		They'll fly to you
"Save your tears (4)	I'll come back"	They'll carry you home
I (5) (6)	(7) you whispered	And back (10) my arms
As you walked through that door		Suspended on silver wings, oh
But still I swore		On silver wings
To hide the pain when I turn back the pages		And a thousand words, oh
Shouting might have been the answer		Call out though the ages
What if I'd cried my eyes out		They'll cradle you
And begged you not to depart		Turning all of the lonely years
But now I'm not afraid		To only days
To say what's in my heart		They'll hold you forever
Cause a (8)	words	Yeah-uh
Call out through the ages		A thousand words
They'll fly to you		Oh-oh-oh-uh-uh
Even though we can't see		
I know they're reaching you
