

Fill in the gaps

I (1) (2)	you're hiding things		Suspended on silver wings
Using gentle words to shelter me			Oh, a (15) words
Your words (3) like a dream			One thousand embraces
But dreams could (4) fool me			Will cradle you
Not that easily			Making all of the pain you feel
I (5) so distant then			Seem far away
Didn't say (6) before you left			They'll (16) you forever
But I was listening			Oh, a (17) words
You'll fight your (7) far from me		Have never been spoken	
Far too easily			They'll fly to you
"Save your tears cause I'll come back"			They'll (18) you home
I (8) hear that you whispered			And back (19) my arms
As you walked through that door			Suspended on (20) wings, oh
But (9) I swore			On silver wings
To hide the pain (10) I (11) back the		And a thousand words, oh	
pages			Call out (21) the ages
Shouting might have been the answer			They'll cradle you
What if I'd cried my eyes out			Turning all of the lonely years
And (12) you not to depart		To only days	
But now I'm not afraid			They'll (22) you forever
To say what's in my heart			Yeah-uh
Cause a thousand words			A thousand words
Call out (13)	the ages		Oh-oh-oh-uh-uh
They'll fly to you			
Even though we can't see			
I (14) they're reaching you
