

Fill in the gaps

Do you mean (1) horny creep	A beating in my brain
Set upon weary feet	That leaves the mark of Cain
Who looks in need of sleep	Right (3) inside
That doesn't come	What am I supposed to do
This twisted, tortured mess	When everything that I've done
This bed of sinfulness	Is (4) me to conclude
Who's (2) for some rest	I'm not the one
And feeling numb	Whatever I've done
What do you expect of me	I've been (5) (6) the barrel of a
What is it you want	gun
Whatever you've planned for me	Is there (7) you need from me
I'm not the one	Are you having your fun
A vicious appetite	I (8) agreed to be
Visits me each night	Your holy one
And won't be satisfied	Whatever I've done
Won't be denied	I've been (9) down the barrel of a gun
An unbearable pain
