

Tonight

Fill in the gaps

Give me a second I	We are young
I need to get my story straight	So let's the set the world on fire
My (1) are in the bathroom	we can burn brighter
getting (2) than the (3) state	than the sun
my (4) she is waiting for me	Tonight
just across the bar	We are young
My seat's (5) (6) by some	so let's set the world on fire
sunglasses	we can burn brighter
asking 'bout a cigar	than the sun
and I know I gave it to you months ago	Carry me home tonight
I know you're trying to forget	Just carry me home tonight
but between the drinks and subtle things	Carry me home tonight
the holes in my apologies	Just carry me home tonight
you know I'm trying hard to take it back	The moon is on my side
so if by the (7) the bar closes	I have no reason to run
and you feel like falling down	So will someone come and carry me home tonight
I'll carry you home	The (8) never arrived
Tonight	but I can hear the choir
We are young	so will someone come and carry me home
So let's set the world on fire	Tonight
We can burn brighter	We are young
than the sun	So let's set the world on fire
Tonight	we can (9) brighter
we are young	than the sun
so let's set the world on fire	Tonight
we can burn brighter	We are young
than the sun	so let's set the (10) on fire
Now I know that I'm not	we can burn brighter
all that you got	than the sun
I guess that I	So if by the time the bar closes
I just thought maybe we could find a ways to fall apart	and you feel like falling down
But our friends are back	I'll carry you home tonight
So let's raise a toast	
Cause I found someone to carry me home
