Well, I woke up to the sound of silence	Carry on
The scars were cutting like knives in a fist fight	May your past be the sound of your (8) upon the
And I found you with the bottle of wine	ground and
Your head in the curtains	Carry on
And heart like the fourth of july	Woah
You swore and said,	My head is on fire
"We are not we are not (1) stars"	But my legs are fine
This I know	After all, they are mine
I never (2) we are	Lay your clothes down on the floor,
Though I've (3) been through hell like that	Close the door,
I've closed enough windows to know you can never look back	Hold the phone,
If you're lost and alone	Show me how no one is ever going to stop us now
Or you're sinking like a stone,	Because we are
Carry on	We are shining stars
May your past be the sound of your feet upon the ground	We are invincible
Carry on	We are who we are
Carry on, carry on	On our darkest day,
So I met up with some friends at the (4) of the	When we're miles away,
night	So we will come
At a bar off 75	We will find our way home
And we talked and talked about how our (5)	If you're lost and alone
will die	Or you're sinking like a stone,
All our neighbors and wives	Carry on
But I'd like to think I can (6) it all	May your (9) be the sound of your feet upon the
To make up for the times I've (7) cheated on	ground and
And it's nice to know,	Carry on oh on on oh ohh oh oh oh oh
when i was left for dead,	oh ohh oh oh oh oh
I was found and now I don't roam the streets	No one is ever going to stop us now
I am not the ghost you want of me	No one is ever going to stop us now
If you're lost and alone	No one is ever going to stop us now
Or you're sinking like a stone,
