

Fill in the gaps

Well, I woke up to the (1) of silence	Carry on
The scars were cutting (2) knives in a fist fight	May (19) past be the (20) of your feet
And I found you with the bottle of wine	upon the ground and
Your head in the curtains	Carry on
And (3) like the (4) of july	Woah
You swore and said,	My head is on fire
"We are not we are not shining stars"	But my legs are fine
This I know	After all, they are mine
I never said we are	Lay your (21) down on the floor,
Though I've never (5) (6) hell	Close the door,
like that	Hold the phone,
I've closed (7) windows to know you can	Show me how no one is ever (22) to stop us
never look back	now
If you're (8) and alone	Because we are
Or you're sinking like a stone,	We are shining stars
Carry on	We are invincible
May (9) past be the (10) of your feet	We are who we are
(11) the ground	On our darkest day,
Carry on	When we're miles away,
Carry on, carry on	So we will come
So I met up (12) some friends at the	We (23) find our way home
(13) of the night	If you're lost and alone
At a bar off 75	Or you're sinking like a stone,
And we talked and talked about how our parents will die	Carry on
All our (14) and wives	May your (24) be the (25) of your
But I'd like to (15) I can cheat it all	feet upon the ground and
To make up for the times I've been (16) on	Carry on oh on on oh ohh oh oh oh oh
And it's nice to know,	oh ohh oh oh oh oh
when i was (17) for dead,	No one is ever going to stop us now
I was found and now I don't roam the streets	No one is (26) (27) to stop us now
I am not the ghost you want of me	No one is ever going to stop us now
If you're lost and alone	
Or you're (18) like a stone
