

Fill in the gaps

Well, I woke up to the sound of silence		Carry on
The (1) were cutting like knives in a fist fight		May your past be the sound of your feet upon the ground and
And I found you with the bottle of wine		Carry on
Your head in the curtains		Woah
And heart like the (2)	of july	My head is on fire
You swore and said,		But my legs are fine
"We are not we are not shining stars"		After all, they are mine
This I know		Lay your clothes down on the floor,
I never said we are		Close the door,
Though I've never been through hell like that		Hold the phone,
I've closed enough windows to know you can never look back		Show me how no one is ever going to stop us now
If you're lost and alone		Because we are
Or you're sinking like a stone,		We are shining stars
Carry on		We are invincible
May your past be the sound of your feet (3) the		We are who we are
ground		On our darkest day,
Carry on		When we're miles away,
Carry on, (4) on		So we will come
So I met up with some friends at the edge of the night		We will find our way home
At a bar off 75		If you're lost and alone
And we (5) and to	alked about how our parents	Or you're sinking like a stone,
will die		Carry on
All our neighbors and wives		May your past be the sound of your feet upon the
But I'd like to think I can cheat it all		(9) and
To make up for the times I've been (6) on		Carry on oh on on oh ohh oh oh oh oh
And it's (7) to know,		oh ohh oh oh oh oh
when i was left for dead,		No one is ever going to stop us now
I was (8) and now I	don't roam the streets	No one is ever going to stop us now
I am not the ghost you want of me		No one is ever going to stop us now
If you're lost and alone		
Or you're sinking like a stone,
