

Just a second we're not (7)_____ just bent

Fill in the gaps

Right from the start	And we can learn to love again
You were a thief	I never stopped
You stole my heart	You're still written in the scars on my hear
And I (1) willing victim	You're not broken just bent
let you see the parts of me	And we can learn to love again
That weren't all that pretty	Oh, tear ducts can rust
And with every (2) you fixed them	I'll fix it for us
Now you've been talking in your sleep, oh, oh	We're collecting dust
Things you never say to me, oh, oh	But our love's enough
Tell me that you've had enough	You're holding it in
Of our love, our love	You're pouring a drink
Just give me a reason	No nothing is as bad as it seems
Just a little bit's enough	We'll (8) clean
Just a second we're not broken just bent	Just give me a reason
And we can learn to love again	Just a little bit's enough
t's in the stars	Just a second we're not broken just bent
t's been written in the scars on our hearts	And we can learn to love again
We're not broken just bent	It's in the stars
And we can learn to love again	It's been written in the scars on our hearts
'm sorry I don't understand	That we're not broken just bent
Where all of this is coming from	And we can learn to love again
thought that we were fine	Just give me a reason
(Oh, we had everything)	Just a little bit's enough
Your head is (3) wild again	Just a second we're not broken just bent
My dear we still have everythin'	And we can learn to (9) again
And it's all in your mind	It's in the stars
(Yeah, but this is happenin')	It's been written in the scars on our hearts
You've been havin' real bad dreams, oh, oh	That we're not broken just bent
You (4) to lie so close to me, oh, oh	And we can learn to love again
There's nothing more than (5) sheets	Oh, we can learn to love again
Between our love, our love	Oh, we can learn to love again
Oh, our love, our love	Oh, oh, that we're not broken just bent
Just give me a reason	And we can learn to love (10)
Just a (6) bit's enough	

- 1. your
- 2. touch
- 3. running
- 4. used
- 5. empty
