

Just a second we're not broken just bent

Fill in the gaps

Right from the start	And we can learn to love again
ou were a thief	I (7) stopped
ou stole my heart	You're (8) written in the (9) on my
And I your (1) victim	heart
let you see the parts of me	You're not broken just bent
That weren't all that pretty	And we can learn to love again
And with every touch you fixed them	Oh, tear ducts can rust
Now you've been (2) in your sleep, oh, oh	I'll fix it for us
Things you never say to me, oh, oh	We're collecting dust
Fell me that you've had enough	But our love's enough
Of our love, our love	You're holding it in
lust give me a reason	You're pouring a drink
lust a little bit's enough	No nothing is as bad as it seems
lust a second we're not broken just bent	We'll come clean
And we can learn to (3) again	Just give me a reason
t's in the stars	Just a (10) bit's enough
t's been (4) in the (5) on our	Just a second we're not broken just bent
nearts	And we can learn to love again
Ve're not broken just bent	It's in the stars
And we can learn to love again	It's been written in the scars on our hearts
'm sorry I don't understand	That we're not broken just bent
Where all of this is coming from	And we can learn to love again
thought that we were fine	Just give me a reason
Oh, we had everything)	Just a little bit's enough
our head is (6) wild again	Just a second we're not broken just bent
My dear we still have everythin'	And we can learn to love again
And it's all in your mind	It's in the stars
Yeah, but this is happenin')	It's been written in the scars on our hearts
You've been havin' real bad dreams, oh, oh	That we're not broken just bent
ou used to lie so close to me, oh, oh	And we can learn to love again
There's nothing more than empty sheets	Oh, we can learn to love again
Between our love, our love	Oh, we can learn to love again
Dh, our love, our love	Oh, oh, that we're not broken just bent
lust give me a reason	And we can learn to love again
lust a little bit's enough
