

Fill in the gaps

Way Back Into Love by Hugh Grant And Haley Bennett

I've been living (1) a (2) overhead	All I want to do is find a way back into love
I've been (3) with a cloud above my bed	I can't make it through without a way (19) into love
I've been (4) for so long	And if I open my heart again
Trapped in the past, I just can't seem to (5) on	I guess I'm (20) you'll be there for me in the
I've been (6) all my hopes and dreams away	end
Just in case I ever need em (7) someday	oh, oh, oh, oh
I've been (8) time	There are moments (21) I don't know if it's real
To clear a little (10) in the corners of my mind	Or if anybody feels the way I feel
All I (11) to do is (12) a way	I need inspiration
(13) into love	Not just another negotiation
I can't (14) it through without a way back into love	All I (22) to do is find a way back (23)
Oh oh oh	love
I've (15) watching but the stars refuse to shine	I can't make it through without a way back into love
I've been searching but I just don't see the signs	And if I (24) my (25) to you
I know that it's out there	I'm hoping you'll show me what to do
There's got to be (16) for my soul	And if you help me to start again
somewhere	You know that I'll be there for you in the end
I've been looking for someone to shed (17) light	oh, oh, oh, oh
Not somebody just to get me (18) the night	
I could use some direction	
And I'm open to your suggestions
