## Animals by Nickelback

No, no matter where we go

## Fill in the gaps

I, I'm driving black on black	'Cause everybody knows
Just got my license back	We're just a couple of animals (animals)
I got this feeling in my veins this train is coming off the track	So come on baby, get in
I'll ask polite if the devil needs a ride	Get in, just get in
Because the angel on my right ain't hanging out with me	Look at the trouble we're in
tonight	We were parked out by the tracks
I'm driving past your house while you (1) sneaking	We're sitting in the back
out	And we just started getting busy
I got the car door (2) up so you can jump in	When she whispered "what was that?"
on the run	The wind, I think (8) no one else knows
Your mom don't know (3) you were missing	where we are
She'd be pissed if she could see the parts of you I've	And that was when she started screamin'
(4) kissing	"That's my dad outside the car!"
Screamin'	Oh please, the keys, they're not in the ignition
No, we're never gonna quit	Must have wound up on the floor while
Ain't nothing wrong with it	We were switching our positions
Just acting like we're animals	I guess they knew that she was missing
No, no matter where we go	As I tried to (9) her dad it was her mouth that I was
'Cause everybody knows	kissing
We're just a couple of animals	Screamin'
So come on baby, get in	No, we're never gonna quit
Get in, just get in	Ain't nothing wrong with it
Check out the trouble we're in	Just acting like we're animals (animals)
You're (5) me on the seat	No, no matter where we go
Got your hand between my knees	'Cause everybody knows
And you control how (6) we go by just how hard	We're just a couple of animals (animals)
you wanna squeeze	So come on baby, get in
It's hard to steer when you're breathing in my ear	We're just a couple of animals
But I got both hands on the wheel while you got both hands on	Get in, just get in
my gears	Ain't nothing wrong with it
By now, no doubt that we were (7) south	Check out the (10) we're in
I guess nobody ever taught her not to speak with a full mouth	We're just a couple animals
'Cause this was it, like flicking on a switch	Get in, just get in
It felt so good I almost drove into the ditch	
I'm screamin'	
No, we're never gonna quit	
Ain't nothing wrong with it	
Just acting like we're animals (animals)
