coming off the	track		Get in, (16) get in
I'll ask polite if	the (5)	needs a ride	Look at the trouble we're in
Because the angel on my right ain't hanging out with me			We were parked out by the tracks
tonight			We're sitting in the back
I'm driving past your house while you were sneaking out			And we just started getting busy
I got the car of	loor (6)	up so you can jump in	When she whispered (17) was that?"
on the run			The wind, I think 'cause no one else knows where we are
Your mom dor	i't know (7)	you were missing	And (18) was (19) she started
She'd be piss	ed if she could see	the parts of you I've been	screamin'
kissing			"That's my dad outside the car!"
Screamin'			Oh please, the keys, they're not in the ignition
No, we're never gonna quit			Must have (20) up on the floor while
Ain't nothing wrong with it			We (21) switching our positions
Just acting like we're animals			I guess they knew that she was missing
No, no matter where we go			As I tried to (22) her dad it was her mouth that I
'Cause everybody knows			was kissing
We're just a couple of animals			Screamin'
So (8)	on baby, get in		No, we're (23) quit
Get in, just get in			Ain't nothing wrong (25) it
Check out the trouble we're in			Just acting (26) we're animals (animals)
You're beside me on the seat			No, no matter where we go
Got (9)	(10) I	oetween my knees	'Cause everybody knows
And you control how fast we go by just how hard you wanna			We're just a couple of animals (animals)
squeeze			So come on baby, get in
It's hard to steer when you're breathing in my ear			We're just a couple of animals
But I got both hands on the wheel while you got both hands on			Get in, (27) get in
my gears			Ain't nothing wrong (28) it
By now, no doubt that we were heading south			Check out the trouble we're in
I guess nobody ever taught her not to speak (11) a			We're just a couple animals
(12) mouth			Get in, just get in
'Cause this wa	as it, (13) f	licking on a switch	
It felt so good	I almost drove into th	e ditch

Ain't nothing w	vrong (14)	it	
Just acting like	e we're animals (anim	als)
