Animals by Nickelback

Fill in the gaps

I, I'm driving black on black	'Cause everybody knows
Just got my license back	We're just a couple of animals (animals)
I got this feeling in my veins this train is coming off the track	So come on baby, get in
I'll ask polite if the devil needs a ride	Get in, just get in
Because the angel on my right (1) hanging	Look at the trouble (5) in
out with me tonight	We (6) parked out by the tracks
I'm driving past your house while you were sneaking out	We're sitting in the back
I got the car door (2) up so you can	And we just started getting busy
(3) in on the run	When she whispered "what was that?"
Your mom don't know that you were missing	The wind, I think 'cause no one else knows where we are
She'd be pissed if she could see the parts of you I've been	And that was when she (7) screamin'
kissing	"That's my dad outside the car!"
Screamin'	Oh please, the keys, they're not in the ignition
No, we're never gonna quit	Must have wound up on the floor while
Ain't nothing wrong with it	We (8) switching our positions
Just acting like we're animals	I guess they knew that she was missing
No, no matter where we go	As I tried to tell her dad it was her mouth that I was kissing
'Cause everybody knows	Screamin'
We're just a couple of animals	No, we're never gonna quit
So come on baby, get in	Ain't nothing wrong with it
Get in, just get in	Just acting like we're animals (animals)
Check out the trouble we're in	No, no matter (9) we go
You're beside me on the seat	'Cause everybody knows
Got your hand between my knees	We're just a couple of animals (animals)
And you control how fast we go by just how hard you wanna	So come on baby, get in
squeeze	We're just a couple of animals
It's hard to steer when you're breathing in my ear	Get in, just get in
But I got both hands on the wheel while you got both hands on	Ain't (10) wrong with it
my gears	Check out the trouble we're in
By now, no doubt that we were heading south	We're just a couple animals
I guess nobody ever taught her not to speak with a full mouth	Get in, just get in
'Cause this was it, like flicking on a switch	
It felt so good I almost drove into the ditch	
I'm screamin'	
No, we're never gonna quit	
Ain't nothing wrong with it	
Just acting (4) we're animals (animals)
