Fill in the gaps

The Black Parade by My Chemical Romance When I was a young boy, Your memory will carry on

My father took me into the city	We'll carry on
To see a marching band.	And though you're broken and defeated
He said, "Son when you grow up,	Your (7) widow marches
would you be the savior of the broken,	On and on we carry through the fears
the (1) and the damned?"	Ooh oh ohhhh
He said "Will you defeat them,	Disappointed faces of your peers
your demons, and all the non-believers,	Ooh oh ohhhh
the plans that they have made?"	Take a look at me cause I could not care at all
"Because one day I'll leave you,	Do or die, you'll never make me
A phantom to lead you in the summer,	Because the world will never (8) my heart
To join The Black Parade."	Go and try, you'll never break me
When I was a young boy,	We want it all, we wanna play this part
My father took me into the city	I won't explain or say I'm sorry
To see a marching band.	I'm unashamed, I'm gonna show my scar
He said, "Son when you grow up,	Give a cheer for all the broken
would you be the savior of the broken,	Listen here, because it's who we are
the beaten and the damned?"	I'm just a man, I'm not a hero
Sometimes I get the feeling she's watching over me.	Just a boy, who had to sing this song
And other times I (2) like I should go.	I'm just a man, I'm not a hero
And through it all, the rise and fall, the (3) in	I! don't! care!
the streets.	We'll carry on
And when you're gone we want you all to know.	We'll carry on
We'll carry on,	And though you're dead and gone believe me
We'll carry on	Your memory will carry on
And though you're dead and (4) believe me	We'll carry on
Your memory will carry on	And though you're broken and defeated
We'll carry on	Your (9) widow marches on
And in my heart I can't contain it	Do or die, you'll never make me
The anthem won't explain it.	Because the world will never take my heart
A world that sends you reeling from decimated dreams	Go and try, you'll never break me
Your misery and hate will kill us all.	We want it all, we wanna play this part (We'll carry on)
So paint it black and (5) it back	Do or die, you'll never make me (We'll carry on)
Let's shout it loud and clear	Because the world will never (10) my heart (We'll
Defiant to the end we hear the call	carry on)
To carry on	Go and try, you'll never break me (We'll carry)
We'll carry on	We want it all, we wanna play this part (We'll carry on)
And though you're (6) and gone believe me
