

Here is a little song I wrote

## Fill in the gaps

You might want to sing it note for note
Don't (1) be happy
In every life we have some trouble
When you worry you make it double
Don't worry, be happy
Ain't got no (2) to lay your head
Somebody came and took your bed
Don't worry, be happy
The land lord say your rent is late
He may have to litigate
Don't worry, be happy
Lood at me I am happy
Don't worry, be happy
Here I give you my phone number
When you worry call me
I make you happy
Don't worry, be happy
Ain't got no cash, ain't got no style
Ain't got not girl to make you (3)
But don't worry be happy

Cause when you worry
Your face will frown
And that will bring everybody down
So don't worry, be happy (now)
There is this little song I wrote
I hope you learn it note for note
Like good little children
Don't worry, be (4)
Listen to what I say
In your life expect some trouble
But when you worry
You make it double
Don't worry, be happy
Don't (5) don't do it, be happy
Put a smile on your face
Don't (6) everybody down (7) this
Don't worry, it will (8) past
Whatever it is
Don't worry, be happy
