Burn by Ellie Goulding

We, we don't have to worry 'bout nothing
'Cause we got the fire, and we're burning one hell of a something
They, they gonna see us from outer space, outer space
Light it up, like we're the (1)_____ of the human race, human race
When the light's turning down, they don't know what (2)_____ heard
Strike the match, play it loud, giving love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire
Yeah we got the fire, fire, fire
And we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
We don't wanna leave, no. We just wanna be right now (right), r-r-right now
And (3)_____ we see is everybody's on the floor acting crazy, getting loco 'til the lights out
Music's on, I'm waking up, we stop the vibe, and we bump it up
And it's over now, we got the love, there's no (4)_____ now, no (5)_____ now
When the light's turning down, they don't know (6)_____ (7)_____ heard
Strike the match, play it loud, (8)_____ love to the world
We'll be raising our hands, shining up to the sky
'Cause we got the fire, fire, fire
Yeah we got the fire, fire, fire
And we gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
We gonna let it burn, burn, burn, burn
When the light's turning down, they don't know what they heard
Strike the match, play it loud, giving love to the world

We gonna let it burn burn burn burn (burn burn)
Burn burn burn burn (burn burn)
We can light it up, up, up
So (9)_____ can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
We can light it up, up, up
So they can't put it out, out, out
When the light's turning down, (10)_____ don't know what they heard
Strike the match, play it loud, giving love to the world

We gonna let it burn, burn, burn, burn
Gonna let it burn, burn, burn, burn
