Lately I've been, I've been losing sleep		But doing the right thing	
Dreaming about the things that we could be		I could lie, could lie, could lie	
But baby I've been, I've been (1)	hard	Everything that drowns me makes me wanna fly	,
Said no more counting dollars		Lately I've been, I've (5) losing sleep	
We'll be counting stars Yeah, we'll be counting stars		Dreaming about the things that we could be	
		But baby I've been, I've been praying hard	
I see this life		Said no more counting dollars	
Like a swinging vine		We'll be counting stars	
Swing my heart across the line		Lately I've been, I've been losing sleep	
In my face's flashing sun		Dreaming about the things that we could be	
Seek it out and you shall find		Baby I've been, I've been praying hard	
Old, but I'm not that old		Said no more counting dollars	
Young, but I'm not that bold		We'll be, we'll be counting stars	
And I don't think the world is sold		Take that money and watch it burn	
I'm just doing what we're told		Sink in the (6) the lessons I learne	d
I feel something so right		Take that money and watch it burn	
But doing the wrong thing		Sink in the river the lessons I learned	
I feel something so wrong But (2) the right thing		Take that money and watch it burn	
		Sink in the river the lessons I learned	
I could lie, could lie, could lie		Take that money and watch it burn	
Everything that kills me makes me feel alive		Sink in the river the lessons I learned	
Lately I've been, I've been losing sleep		Everything (7) kills me makes me feel alive
