

Run for our lives

## Fill in the gaps

Said you got tired of the same old rock 'n roll	As you watch all the cars on the freeway
Let's start anew at sunset, life with a lot more soul	And he said I
Well I know you (1) a lot of time (2)	I come from Detroit City
in your head	And I
Remember what you said	I'm (9) to satisfy
I never thought (3) be so	And I want someone (10) you, you look so pretty
(4) lead	In Detroit City
One million lights	And now the lights are burning out
They've been burning our (5) til the morning	And now the boys are turning out
Run for our lives	But you stay here with me
As you watch all the cars on the freeway	In the city
And he said I	And he said I
I come from Detroit City	I come from Detroit City
And I	And I
I'm hard to satisfy	I'm hard to satisfy
And I want someone (6) you, you look so pretty	'Cause I want someone like you, you look so pretty
In Detroit City	In Detroit City
You said you got some on the (7) and its dreams	Detroit, Detroit
They make cuts in the heat while the siren screams	Detroit City
I couldn't believe	Detroit City
Someone like me would (8) you so weak	Detroit City
We're dancing in the street	Detroit, Detroit
You know we don't need no sleep	
One million lights	
They've been burning our eyes til the morning
