

Fill in the gaps

Said you got tired of the same old rock in roll		As you (5) all the cars on the freeway	
Let's start anew at sunset, life with a lot more soul		And he (6) I	
Well I know you spend a lot of time alone in your head		I come from Detroit City	
Remember what you said		And I	
I never thought you'd be so easily lead		I'm hard to satisfy	
One million lights		And I want someone (7) you, you loo	ok so pretty
They've been (1)	our eyes til the morning	In Detroit City	
Run for our lives		And now the lights are burning out	
As you watch all the cars on the freeway		And now the boys are (8) ou	t
And he said I		But you stay here with me	
I come from Detroit City		In the city	
And I		And he (9) I	
I'm hard to satisfy		I come from Detroit City	
And I (2) someone like you, you look so pretty		And I	
In Detroit City		I'm hard to satisfy	
You said you got some on the city and its dreams		'Cause I want someone like you, you look so pretty	
They make cuts in the heat while the siren screams		In Detroit City	
I couldn't believe		Detroit, Detroit	
Someone like me would leave you so weak		Detroit City	
We're (3) in the street		Detroit City	
You know we don't (4) no sleep		Detroit City	
One million lights		Detroit, Detroit	
They've been burning our eyes til t	he morning		
Run for our lives
