People Like Us by Kelly Clarkson

Fill in the gaps

We come into this world unknown	The people like us
But know that we are not alone	(Woah oh oh)
They try and knock us down	(Woah oh oh)
A change is coming, it's our (1) now	You just gotta turn it up loud
Hey	When the flames get higher
Everybody loses it	(Woah oh oh)
Everybody wants to (2) it all (3)	(Woah oh oh)
sometimes	Sing it for the people like us
And hey	The people like us
Yeah, I know what you're going through	They can't do nothing to you
Don't let it get the best of you	They can't do nothing to me
You'll make it out alive	This is the life that we choose
(Oh) people like us we've gotta stick together	This is the life that we bleed
Keep (4) head up nothing lasts forever	So throw your fists in the air
Here's to the damned, to the lost and forgotten	Come out, come out if you dare
It's hard to get high	Tonight we're gonna change forever
When you're living on the bottom	Everybody loses it
(Woah oh oh)	Everybody wants to throw it all away sometimes
(Woah oh oh)	(Oh) people like us we've gotta stick together
We are all misfits livin' in a world on fire	Keep your head up nothing lasts forever
(Woah oh oh)	Here's to the damned, to the lost and forgotten
(Woah oh oh)	It's hard to get high
Sing it for the people like us	When you're living on the bottom
The (5) like us	(Woah oh oh)
Hey	(Woah oh oh)
This is not a funeral	We are all misfits livin' in a world on fire
It's a revolution	(Woah oh oh)
After all your tears have turned to rage	(Woah oh oh)
Just wait	Sing it for the people like us
Everything will be okay	The people like us
Even (6) you're (7) like it's going	(Woah oh oh)
down in flames	(Woah oh oh)
(Oh) (8) like us we've gotta stick together	You just gotta turn it up loud
Keep your head up nothing lasts forever	When the flames get higher
Here's to the damned, to the lost and forgotten	(Woah oh oh)
It's hard to get high when you're living on the bottom	(Woah oh oh)
(Woah oh oh)	Sing it for the people like us
(Woah oh oh)	The people like us
We are all (9) livin' in a world on fire	
(Woah oh oh)	
(Woah oh oh)
