Somewhere Only We Know by Lily Allen

I walked across	Talk (15) It somewhere (16) we know
An empty land	This (17) be the end of everything
I knew the pathway (1) the back of my hand	So why don't we go
I felt the earth	Somewhere (18) we know
Beneath my feet	Somewhere only we know
Sat by the river and it made me complete	Oh, simple thing
Oh, (2) thing	Where have you gone
Where (3) you gone	I'm getting old and I need someone to (19) on
I'm (4) tired and I (5) someone	So (20) me when
to (6) on	You're gonna let me in
I (7) across	I'm getting tired and I need somewhere to begin
A fallen tree	And if you have a minute, why don't we go
I (8) the (9) of it looking at me	Talk (21) it somewhere only we know
Is this the place	'Cause this could be the end of everything
We (10) to love	So why don't we go
ls (11) the (12) that I've been	Somewhere (22) we know
(13) of	Somewhere only we know
Oh, simple thing	
Where have you gone	
I'm getting old and I need something to rely on	
And if you (14) a minute, why don't we go
