And if you have a minute, why don't we go

Fill in the gaps

Somewhere Only We Know by Lily Allen

I walked across	Talk about it somewhere only we know
An empty land	This could be the end of everything
I (1) the pathway like the back of my hand	So why don't we go
I (2) the earth	Somewhere only we know
Beneath my feet	Somewhere only we know
Sat by the (3) and it made me complete	Oh, (7) thing
Oh, simple thing	Where (8) you gone
Where have you gone	I'm getting old and I need someone to rely on
I'm (4) tired and I need someone to rely on	So tell me when
I came across	You're gonna let me in
A fallen tree	I'm getting tired and I (9) somewhere to begin
I felt the branches of it looking at me	And if you have a minute, why don't we go
Is this the place	Talk about it somewhere only we know
We used to love	'Cause (10) could be the end of everything
Is this the (5) that I've been dreaming of	So why don't we go
Oh, simple thing	Somewhere only we know
Where have you gone	Somewhere only we know
I'm getting old and I need (6) to rely
