He's (1) the kind of man	Carry me to the shoreline
You hear about	Bury me in the sand
Who leaves his (2) for	Walk me (5) the wat
An easy out	And maybe you'll understand
They never saw the signs	Once the stone
He never said a word	You're crawling under
He couldn't take another day	Is lifted off your shoulders
Carry me to the shoreline	Once the cloud that's raining
Bury me in the sand	Over your head disappears
Walk me across the water	The noise that you'll hear
And maybe you'll understand	Is the crashing down of hollow years
Once the stone	Carry me to the shoreline
You're crawling under	Maybe you'll understand
Is lifted off your shoulders	Once the stone
Once the cloud that's raining	You're crawling under
Over your head disappears	Is lifted off (6) shoulders
The noise that you'll hear	Once the cloud that's raining
Is the crashing down of (3) years	Over your head disappears
She's not the kind of girl	The noise (7) you'll hear
You hear about	Is the crashing down of hollow years
She'll never want another	Once the stone
She'll never be without	You're crawling under
She'll give you all the signs	
She'll tell you everything	
Then turn around and (4) away
