For I'm already failing freed?
Intertwine the lines Intertwine the (21) beneath the dark
That swim beneath the dark Every bit of pain we're feeling
Realize the (8) we live in Every other (22) life
Demonize the (9) we (10) in (Nooooooo)
(Nooooooo) In the memories, you will find somehow
In my memories I'll dig deep (11) to know There used to be a dream unending
Centuries of dreams unending No more need to be alone
Another me (12) yielded tears Intertwine the lines
When someone had betrayed That swim (23) the dark
No time should ever go to waste Realize the pain we live in
It's not that complicated Demonize the (24) we reel in
You're free to live your life at ease (Nooooooooo)
No more restraints In my memories I'll dig deep enough to know
No heed for shadows on your way Centuries of (25) unending
That try to steal (13) laughter Another me that (26) tears
Your light (14) drive them all away When (27) had betrayed
Be confident Someone had betrayed
